Hi John,

I have no problem with you visiting our lab, but I don't think it would be a good idea to discuss the [REDACTED] case. I am worried defense attorneys would want to come to the lab and question chemist about upcoming cases. If you want to discuss the case prior to the trial, I will come to your office. The 29th and 30th will work for me. If not give me a date and I will check my court schedule. Also the questions you provided are ok with me.

Thanks,

Jim Hanchett

Hi Jim,

[REDACTED] is currently scheduled for trial for **April 2** in Pittsfield. Would you mind reviewing the attached questions and let me know your thoughts. Also, I would like to schedule a visit to the lab prior to trial to go over your testimony. Would either March 29 or 30 work for you in the early morning. Please let me know at your convenience.

Thanks,
John
